TO: Director
         Central Intelligence Agency

25X1

25X1

USEUCOM's assets in this regard are not equal to preparation of such a study.

3. As a first step in attempting to satisfy these theatre-designated priority requirements, CIA is requested to undertake preparation of a study dealing with the vulnerabilities of the Soviet Bloc populations. In this undertaking, DIA would, of course, participate to the limit of capabilities. It is now contemplated that the study on Vulnerable Targets would be undertaken as a DIA prime responsibility, with participation by the CIA invited.
